

Reports on Study Seminar

On 22nd of March the Internal Quality Assessment Cell (IQAC) of Salesian college organized the NAAC Re-accreditation Report Study Seminar in the Conference Hall of its Siliguri Campus. The Seminar was attended by the teaching and non-teaching staff of both the campuses, alumni members, representatives of the Governing Body and Campus coordinators. The involvement of the Principal and Vice-principals of both the campuses and also the Rector and Principal of Don Bosco School made the Seminar a successful one. The Guest of Honor for the day was Fr. Peter Lourdes SDB, an eminent psychologist, former Principal, Salesian College Sonada and Former Director NVSC, Pune, a lamp, who guided the institution in the obscure ways of the World. The purpose behind organizing this Seminar was to make a comparative study of the report presented by the NAAC Peer Team in order to find a way out in overcoming the weaknesses and felicitate the staff members for their dedication towards their work. The Seminar started with a prayer song followed by lighting of the lamp by the chief guest. Fr. Vice-Principal's words of welcome added a fresh lease of life to the program. Soon after his welcoming words Fr. (Dr.) George Thadathil, Principal, Salesian college specified in his speech the scope of the seminar which provided us an insight for a better understanding of the expectations of excellence prevailing in the society. The event gained momentum when our honourable guest Fr. Peter Lourdes shared his ideas and experiences of being a part of Salesian family. Then there was a power point presentation given by Fr. (Dr.) Mathew George, the NAAC Coordinator which threw light on the areas of the peer team's focus and their order of assessment. Followed by it was a meeting of each department where all the teaching staff was asked to collectively respond to the observations made by the NAAC Peer Team and derive the plan of action for the next five years. After the meeting the Hods voiced their opinion and the IQAC cell members were re-elected. The Seminar came to an end with Dr. Nupur Das's valedictory address followed by Mr. Peter Lepcha's (member of IQAC Cell) vote of thanks. As soon as the Seminar got over the members headed towards the hotel Royal Mansarover Premier for lunch.
