

Silver Jubilee Celebrations of Fr. James Chacko and Fr. Babu Joseph

The year 2015 has been a gracious year for the community of Salesian College Sonada. It is not only the 200th Birth Anniversary of our Father and Founder Don Bosco, but also the Silver Jubilee of the Priestly Ordination of Rev. Fr. James Chacko, the Rector and of the Religious Profession of Rev. Fr. Babu Joseph. The community joined these two faithful sons of Don Bosco to thank and praise the Lord on 19th September for all His goodness and blessings.

To grace the occasion we had the presence of Rev. Fr. James Mathew, our Vice-Provincial, who shared the Word of God during the Holy Mass highlighting the God's protection and tremendous love for both the jubilarians. Nothing happens by chance but by choice for the chosen ones. There were more than 30 priests and 150 sisters, brothers and faithful joined in the Holy Eucharist.

After the Holy Mass, there was a felicitation programme organized to acknowledge their loving presence and congratulate them for their faithfulness. In their personal sharing, they expressed their gratitude to many who had helped them to what they are today. The presence of Divine Providence in their lives was the focus of their jubilee gift. They are for many of us examples to emulate and persevere in our calling, come what may to do the will of God. The celebrations ended with a fellowship meal.

Congratulations
